### Governor Dayton's Budget for Winona

The Governor's budget proposal makes significant investments across Minnesota. For Winona he has proposed new investments in education from our earliest learners to new investments that will put the dream of higher education within the reach of every Minnesotan. The Governor's proposal also builds a fair tax system for every Minnesotan by asking the richest among us to pay their fair share in taxes, providing direct property tax rebates to homeowners, and making the largest reduction to the sales tax rate ever.
